Guidelines for abstract submissions for abstract/paper presentation

- Please submit abstracts for proposals for individual papers by 15th January, 2020 via Conference website
- Abstracts should be between 800 and 1200 words and to be submitted online in Word format. Abstracts less than 800 words will not be reviewed.
- Abstract selection for presentation is on the basis of a double blind peer-review process. Criteria are
  a. Relevance to conference thematic tracks;
  b. Evidence-based and methodological appropriateness;
  c. Innovative and new;
  d. Significance of findings for policy or research agenda; and
  e. Clarity of presentation.

More than one abstract can be submitted; due to space limitation only one accepted abstract can be presented by a participant.

- Abstract acceptance for oral presentation will be communicated by 31st January, 2020
- Kindly note that inclusion of an accepted presentation in final conference program is conditional on timely conference registration and uploading of full paper or poster.
- Early bird registration should be completed by 15th February, 2020 (only for selected papers) for others as per announcement i.e 31st January 2020
